Please note:

1. A twice-weekly laundry service is available for boarders' use.
2. Pupils are encouraged to have mobile phones for contact with parents. There are clear rules about the use of mobile phones during the school day and the evenings.
3. Please do not bring in large electrical items such as toasters, fridges, kettles, games consoles etc. Other than a mobile phone and the pupil's MacBook/iPad, pupils do not need any other electrical communication devices.
4. All medicines must be handed to the Health Care Centre on arrival. The Health Care Centre will administer all prescribed medicines to pupils. No pupil may keep unprescribed medicines such as paracetamol.
5. Cash and valuables should be kept to an absolute minimum in School (there is no need for cash on the School campus). On occasion, cash may be required for a certain event, but it must still be kept to a minimum.
6. Given the School uniform and sports kit requirements, storage space for casual clothing and shoes is limited, so pupils should avoid bringing more than the recommended amount (above).
7. All items are brought into the School at the pupil's own risk.
